Library Learning Commons Communiqué

Career Fair

Friday, October 13, 2017, from 12:00-2:00 pm
Walker Cisler Center Superior Room.

This is an annual fall event and an important experience for the University and all our students.

The Career Fair is currently the only large employer event we host during the academic year with currently 35 employers registered. This event is a networking event on campus for employers, students, staff and faculty. We encourage all students whether you are freshmen or graduating senior. All students need skills in networking and experience with job search skills. Embrace your future...and what you do now will play a huge role in your future career success. Let's all showcase our university and show employers the talents and tremendous skills of our students! Contact Mary Jo Meehan mmeehan@lssu.edu or stop by the Career Services Center, LBR231.

Commuter Lounge

The Learning Commons team is proud to announce the opening of the Commuter Lounge! Located on the main floor of the library, the lounge is a space designed with commuter students in mind. Students will find the space to prep their lunch, rest, and study. Lockers have been added to the lounge for added convenience. Students will also find Lyndsey Krueger, Commuter Student Resident Advisor, hosting office hours in the lounge.
