Supplemental Instruction (SI)

Supplemental Instruction (SI) is a student led program that offers additional support to students in historically difficult courses. SI Leaders are students who were successful in their course and work to help currently enrolled students master the content during twice weekly sessions. Please stop by the ASC Front Desk or email amethot@lssu.edu with any questions.

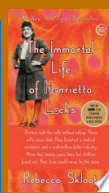

From Testing Services

If you need to take your final exams with Testing Services, **Final Exam** slots are starting to fill up. Students should schedule their exams at www.lssu.edu/academic-services/testing-services by **December 4th**.
