January | February 2021 - Vol. 6, no.5

## Welcome to the Library & Academic Services!

Our areas are: Academic Success Center (tutoring), Accessibility Services, Career Services, Library Services, Study Abroad, and Testing Services. We are here to assist you! Our location is on the main floor of the Library. Are you looking for study space? We have you covered in the Library with three different floors and three different sound zones from quiet to collaboration space. Our friendly staff is here to help you be successful at Lake State!

## New Research Database

The campus library now subscribes to EBSCO's Engineering Source Complete. This research database provides full-text access and indexing to thousands of engineering journals, magazines and trade publications. Access this tool through the Databases A to Z list on the Library web page.

### Academic Success Center Hours

Monday - Thursday 8am - 9pm

Friday 8am - 3pm

Saturday - Closed

Sunday 5pm - 9pm

Tutoring appointments and the Writing Center will begin the week of January 25, 2021.

The Math Center will be open beginning Thursday January 21, 2021.

## Library Art Gallery

Featuring The Jingle Dress Exhibit  
An exhibit by Tomantha Sylvester Jingle Dresses and other Native American regalia, photos and a video display.

## Room Changes

**Testing Services** now has a different location to check-in (Eric Cairns) has moved to LBR 234.

**Career Services**, GERALYN Narkiewicz, has temporarily moved inside the library to LBR 267.

## Library Hours Spring Semester

Sunday 10:00 AM to Midnight

Monday—Thursday 7:30 AM to Midnight

Friday 7:30 AM to 9:00 PM

Saturday 10:00 AM to 9:00 PM

## Supplemental Instruction for Spring 2021

Supplemental Instruction (SI) is an academic support program that uses peer-led study sessions to enhance student success in larger, historically difficult courses at LSSU. SI sessions are regularly scheduled out-of-class review/study discussion sessions that are open to any student enrolled in a course for which SI is offered (attendance is voluntary). SI Courses available for Spring are:

BIOL 122

CHEM 108

CSCI 105

BIOL 131

CHEM 115

CSCI 121

BIOL 132

CHEM 116

NURS 213

NURS 327

## University Colloquium

**Jan 29 Adam Mosey** will present on Small Drug Enhancement of Proteasomal Activity for Potential Use in Neurodegenerative Disease Treatments

**Feb 12 Julie Barbour** will present on The Importance of Form in Poetry.

**Feb 26 Jon Sommers** will present on Valentine's Vicissitudes: Current Management of Ancient Villains

All Colloquium talks are held in the library at 3:00 PM by the windows. These events are free and open to the public.
